

Emanuel April

Trade Operations Specialist

Emanuel joined the firm in 2025 as Trade Operations Specialist responsible for overseeing the daily execution and settlement of investment trades across various platforms. With a strong focus on accuracy and efficiency, Emanuel manages portfolio cash flows, ensures proper trade affirmation, and addresses operational exceptions such as overdrafts and trade breaks.

He serves as a key liaison between portfolio management, trading partners, and custodians, integrating systems and maintaining third-party relationships to ensure seamless investment operations. Known for a proactive approach to problem-solving, Emanuel also supports ongoing process improvements and contributes to strategic projects that enhance trade infrastructure and scalability.

EDUCATION

DePaul University, Driehaus College of Business — Bachelor of Science in Business, Major: Finance, Concentration: Finance
